The Babe Leaped in Her Womb

In Nomine Iesu!

In the Name of the Father and of the + Son and of the Holy Ghost. Amen.

Prayer in Pulpit before Sermon:

O Lord, send out Thy Light and Thy Truth, let them lead us. O Lord, open Thou my lips, that my mouth may show forth Thy praise. O Lord, graciously preserve me, lest that by any means, when I have preached to others, I myself should be rejected. Amen.

Grace, mercy, and peace be to you from God our Father and from our Lord and Savior + Jesus Christ. Amen.

The Blessed Virgin Mary's visit to St. Elizabeth is rife with impossibilities. Neither of them are supposed to be able to be pregnant. One is old and barren; way past the age of being able to bear children. The other is a virgin, so young she has not even had sexual relations with a man. And yet, they both are pregnant. Elizabeth is pregnant with perhaps the second most important person of all time: St. John the Baptist, whom our Lord + Jesus calls the greatest of those born of women. The Blessed Virgin Mary carries in her womb THE most important person ever born: our Lord and Savior, the Lord + Jesus Christ. Our Lord has already been conceived. He is only a few days old in the womb. St. John the Baptist is already six months old in the womb. Yet, while they are still in the womb, these two cousins are communicating. The Lord + Jesus is preaching through the voice of St. Mary's Greeting. And, St. John the Baptist, is already preparing the way of the Lord. From inside his mother Elizabeth's womb St. John the Baptist hears the greeting of his Lord's mother to his own mother and leaps for joy. And through the voice of his mother, being full of the Holy Ghost, prophesies: "Blessed are you among women, and blessed is the fruit of your womb! ...Blessed is she who believed, for there will be a fulfillment of those things which were told her from the Lord."

That is obviously true for the Blessed Virgin Mary. She believed what the Lord told her through the angel Gabriel. Indeed, just as the angel said, she was overshadowed by the Holy Ghost and the Only-Begotten Son of the Father was conceived in her womb, without the aid of a man, and without violating her virginity. The Blessed Virgin Mary was blessed by giving birth to her own Savior.

St. Elizabeth prophesies concerning the Blessed Virgin Mary that she is blessed for believing that the Word of God is true. Unlike her husband Zacharias, who questioned the angel Gabriel and did not believe that such a thing as a child in his and his wife's old age was something possible, even though the Lord God was proclaiming it to be true. We are also blessed when we believe what God says; when we trust God's Word. Blessed is he who believes that what the Lord has said to him will be accomplished. Of course, we are too often just like Zacharias, unable to believe that the promises of God are for us, and that we already possess them.

Consider what the Lord + Jesus has said to you. He has said: "You are Mine. I gave you My Name when you were baptized into My Name—Father, Son, and Holy Ghost. I claimed you as My own. I called you My child." He has also said: "I forgive you all your sins." He has also said: "Take, eat this

is My Body; Take, drink, this is My Blood shed for you, for the remission of all your sins.” He has told us that He is the Vine and we are the branches when He said, “I am in you and you are in Me. I am with you always.” He has said: “I love you and I lay down My life for you.” “I have made you My own, and ‘no one shall pluck you from My Hand.’” He has said: “You are my beloved child, perfect and without sin, spotless and blameless and the gates of Hell shall not overcome you on account of what I have done for you.” But, we too often either doubt these words, or worse, we gloss over them as if they are just words on a page and have no real meaning for us and for our lives. These are the promises that our Lord + Jesus would have us hear. These are the promises that are impossible, but the Lord God makes them possible, just as He gave children to two women who should not be pregnant by all reason and science.

If He can make such things possible; give a child to a barren woman and a child to a virgin, then He can fulfill His promises to you. Your sins have been paid. You do have salvation. You will inherit Heaven and an eternal life with all the saints and angels while possessing a new and glorious body in the day of the resurrection of all the dead. These are the words that are proclaimed to you from this pulpit often. Believe them! They are true. They are meant for your ears. Just as the Blessed Virgin Mary’s greeting was meant for the ears of St. John the Baptist, which caused him to leap for joy in the womb of His mother St. Elizabeth. The Blessed Virgin Mary even ran with haste to give that greeting, just as the Holy Ghost comes to us with haste to take away our hard heart and give us a heart of faith that believes on the Lord + Jesus and all that He has done for us.

What is even more impossible than two women who should not be able to be pregnant, is who these two women are. Neither one is of any great importance. They were not queens or princesses. They were not rich or famous. They were unknowns. They were common women. St. Elizabeth was the wife of a priest and the Blessed Virgin Mary was a simple handmaiden. But, our Lord chooses the weak and the lowly of this world to perform His great marvels and wonders. He chooses the impossible to do the what only He can make possible.

So too, is the place of His birth and where He grew up. Nazareth and Bethlehem were backwater villages of no reputation, no strategic value, no abundance of natural resources. And yet, today there are scarcely any places so famous. The Virgin Mary and St. Elizabeth were nobodies. But God elevated them to a great position. Countless women and girls bear their names today. Thousands upon thousands have called St. Mary blessed for the Savior Whom she bore. So too, does Lord God notice us and make us worthy on account of the works and merits of His Beloved Only-Begotten Son. We are also nobody of any importance, just like St. Mary and St. Elizabeth. However, the Lord God Who is not far from us; Who is present with us at all times in His Word, loves and knows us so closely and personally that every hair on our head is counted. He notices us. He is interested in us. He cares for us. He gives us forgiveness, life and salvation on account of His Son. And, His angels rejoice over our repentance and faith. They leap for joy. His words of comfort and promise to us are not empty vanities or mindless flattery. They are words that are, and will be, fulfilled, just as sure as the barren woman bore a son, and the Virgin bore a Son. In the Name of our Lord + Jesus Christ. Amen.

Prayer in Pulpit after Sermon:

Not unto us, O Lord, not unto us, but unto Thy Name give glory! I will extol Thee, O Lord, and I will praise Thy Name forever and ever. Amen.

The Votum:

The peace of God, which passeth all understanding, keep your hearts and minds through Christ Jesus. Amen.

Soli Deo Gloria!
